

## Model

### AW 920 MAX - HEADER BOX FAN

## Description

Ceiling mounted side discharge centrifugal fan with 1.0m power cord

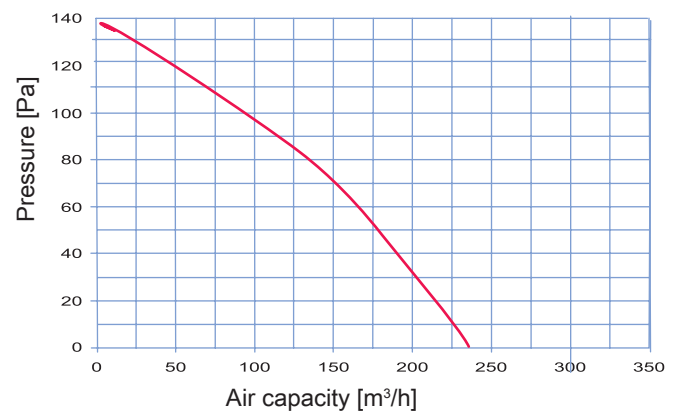

## Application

Kitchens / Bathrooms / laundries / Ensuites / Toilets/ Apartments

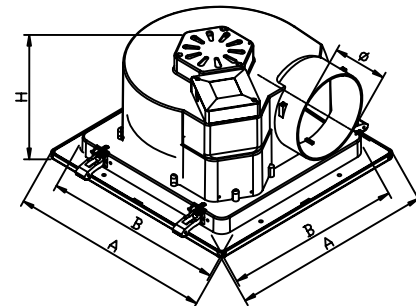

## Technical specification

|                                      |              |
|--------------------------------------|--------------|
| Voltage [V/50 Hz]                    | 240 AC       |
| Power [W]                            | 30           |
| Current [A]                          | 0.15         |
| Extract capacity [m <sup>3</sup> /h] | 234          |
| Noise level 3m [dBA]                 | 45           |
| r.p.m.                               | 1840         |
| Installation type                    | Ceiling      |
| Installation position                | Ceiling      |
| DN (diameter nominal) [mm]           | 125          |
| Air flow temperature [°C]            | -10 + 45     |
| Index of protection                  | IP24         |
| Internal thermal protection          | Fuse         |
| Colour                               | White grille |
| Casing material                      | ABS plastic  |
| Warranty                             | 1 year       |

## Characteristic curve

## Dimensions [mm]

| Type       | Dimensions [mm] |     |     |     |
|------------|-----------------|-----|-----|-----|
|            | a               | b   | H   | O   |
| AW 920 MAX | 320             | 275 | 155 | 125 |
